- Those adult programs with 25 or fewer registration spots will automatically appear full and feed registrants into a waitlist.
- One week prior to each program, the list will be consulted to complete the final registration list. When you are added to this list, you should receive an email confirmation.
- All duplicate event registrations will be deleted. This includes multiple instances of the same program at different locations.
- All registrations by one patron for multiple programs (identical or not) with start times within two hours of each other unless the programs are a multi-part program will be deleted.
- All program attendees will be expected to work on the theme, topic or item at hand. Any patron or patrons completing different projects will be asked to refocus on the project for that program and may be asked to leave the program if they refuse to do so.
- If a patron does not alert library staff that they will not be attending a program more than twenty-four hours in advance of the start time for a total of three times in a calendar year (January to December), the patron will be placed at the end of the waitlist for programs for 6 months from the date of the third no call, no show.
- Five minutes after the posted program start time, open seats will be given to individuals physically present on standby.
- Entry to all registration required programs will be closed fifteen minutes after the posted program start time. No additional patrons will be allowed to enter after fifteen minutes past the posted program start time.
